TO BEGIN CAMPAIGN  
FOR CHARITY FUNDS

Local Organization Prepares  
Plans to Solicit Contributions Tuesday.

## WOMEN WILL HELP

Well-Balanced System of Relief  
in Columbia Brings Good Results.

The Columbia Charity Organization Society, with the help of a large number of Columbia men and women including several members of the faculty and their wives, is preparing plans for its work among the poor of this city the coming year. Two meetings were held this afternoon, one for the women and the other for the men, at the Commercial Club rooms to map out a campaign for contributions among the people of Columbia in order to make possible the maintenance of the efficient local system of administration of relief. Lee Walker is conducting the campaign.

The charity organization provides for a Friendly Visiting Committee, a group of twelve to fifteen women, who act as special visitors and advisers to poor families. They found homes for fifteen neglected and dependent children last year and were first friends to fifty-two families. They also distributed forty-two Christmas dinners.

The Anti-Tuberculosis Committee employs a visiting nurse, who last year cared for forty-two tubercular cases and one hundred and eighteen non-tubercular cases. She fumigates houses, advises regarding sanitation and personal hygiene and supplies outdoor sleeping arrangements.

The Health Committee surveys the districts needing water and sewerage connections. It was through this committee that "Clean-Up Week" was organized and conducted successfully.

The Field Secretary investigates cases applying for aid, finds employment for the unemployed, and follows up cases until, if possible they are self-supporting. Last year he cared for ninety major and one-hundred and eighteen minor cases, involving five-hundred and six persons.

Last year \$3,563 was administered by the society for the relief of the poor.

To continue this well-balanced system the campaign to solicit subscriptions will be launched next Tuesday with the help of the following Columbia women:

Mrs. H. H. Banks, Mrs. L. L. Bernard, Mrs. J. M. Bitterton, Miss Emma Cuthbert, Mrs. E. R. Childers, Miss Clara Cole, Mrs. L. M. DeFoe, Mrs. W. M. Dinwiddie, Miss Juanita Elkins, Mrs. A. J. Estes, Mrs. C. W. Greene, Mrs. W. E. Harsh, Mrs. F. G. Harris, Miss Marjorie Jones, Mrs. O. D. Kellogg, Mrs. Turner McRaine, Mrs. C. F. McVey, Mrs. L. W. St. Clair Moss, Mrs. W. B. Nowell, Mrs. W. W. Payne, Mrs. J. J. Phillips, Mrs. J. W. Rankin, Miss Helen Robnett, Mrs. D. A. Robnett, Miss Ruth Rollins, Miss Margaret Sampson, Mrs. H. O. Seaverance, Mrs. A. H. Shepard, Mrs. H. Sill, Miss Louise Stanley, Mrs. P. F. Stephens, Mrs. J. A. Stewart, Mrs. H. Schlundt, Mrs. John N. Taylor, Mrs. J. E. Thornton, Mrs. G. F. Troxell, Mrs. S. E. Wrench.

The work of the Charity Organization of Columbia is shown by their action in the following cases:

In a family found last month, consisting of a father, mother and eleven children, the father was sick and has been so for several weeks. The only earnings amounted to \$7 a week, brought in by two girls 16 and 18 years old, who worked at the shoe factory. Groceries and coal were furnished. A lady who became interested in the family through the organization provided clothes, food, a good Thanksgiving dinner yesterday, and sent the children to school. The family is now well provided for the winter.

## TRAIN KILLS HORSE; BOY SAFE

Turner Barnhart, McBahe, Narrowly  
Escapes Katy Flyer.

Turner Barnhart, 14-year old son of Frank Barnhart, of McBahe, was only slightly bruised when a Katy flyer killed the horse he was leading and another he was riding, and hurled him about twenty feet out into the road, near McBahe yesterday morning. Thomas Sappington who was with the Barnhart boy and who was also on horseback, barely escaped across the track before the engine hit his companion's horses.

The two McBahe boys had been hired by a livery man at Fulton to take three horses which he had purchased to Fulton. As the boys were crossing the M. K. & T. tracks at McBahe on their way to Fulton, train number 8, going toward St. Louis at a speed estimated at 50 miles an hour, surprised them and killed the two horses Turner Barnhart had in charge. The Sappington boy, with only the other horse, was able spur his mount and quickly get across. The Barnhart boy was bruised about the hips somewhat, but was up and about yesterday. Thomas Sappington is the son of Ish Sappington, a mail carrier of McBahe.
